

Order. Manage. Analyze.

MyJHC adds value to your business operations by providing a single, secure, and easy-to-use web-based customer ordering and data portal.

- Increase efficiencies,
- reduce cost, and gain
- visibility to operations

- Enable clinical and
- regulatory compliance

- Complete transparency and
- ability to view reporting for
- multiple facilities

MYJHC: SAVE TIME AND INCREASE EFFICIENCIES

MyJHC gives you secure, 24/7/365 access to quickly and conveniently:

-  Manage pre-invoice reconciliation
-  Receive automated confirmations & email alerts
-  Gain visibility & approve specialty products
