Joerns Healthcare Announces End of Life Plan for BioClinic Miscellaneous Items

This notice serves as formal communication of Joerns Healthcare, Inc.'s intent to initiate the Limited Retirement Mode (LRM) notification for the following products and all related configurations and packages. Limited Retirement Mode (LRM) is a statement by the company that it will no longer manufacture or develop enhancements for these products. Depending on inventory, technical capability, and customer demand Joerns will continue to offer support agreements on products in LRM. LRM is a discretionary phase in the product lifecycle process. The following product(s) are affected:

- Select BioClinic Miscellaneous Items

This retirement notice attempts to identify all SKUs affected by the discontinuation of the BioClinic Replacement Covers. It is possible that some part numbers were missed in the list provided. Joerns reserves the right to include omitted SKUs if they are related to the products listed above, even if the SKU is not specifically listed in the notice. Those omitted SKUs are subject to the terms specified within this document. If you are unsure of a specific SKU, please contact your Joerns representative for clarification.
