Reason for Retirement:

In order to better serve our customers and meet their needs in a timely manner, a portfolio consolidation and product upgrade is necessary within the BioClinic Replacement Covers Portfolio. As the BioClinic mattresses, overlays, and positioners have been recently rationalized, complimentary replacement covers also require streamlining in order to offer the appropriate items within our overall BioClinic Portfolio for our customers. Select items will still be available to meet the needs of patients and caregivers alike and help drive clinic outcomes. Discontinued products have designated migration suggestions where applicable.
