PRN #122024-001
December 16, 2024

Joerns Healthcare Announces End of Life Plan for Medela Specialty Dressings

This notice serves as formal communication of Joerns Healthcare, Inc.'s intent to initiate the End of Support notification for the following products and all related configurations and packages. End of Support (EOS) indicates that Joerns no longer offers support for the product, and all remaining unique inventory or materials will be removed.

The following product(s) are affected:

- Selected Medela/Medaxis specialty disposable dressing kits and accessories for the Invia® Liberty Therapy Unit and Invia® Motion Therapy Unit

This retirement notice attempts to identify all SKUs affected by the discontinuation of selected Medela/Medaxis specialty dressings. It is possible that some part numbers were missed in the list provided. Joerns reserves the right to include omitted SKUs if they are related to the products listed above, even if the SKU is not specifically listed in the notice. Those omitted SKUs are subject to the terms specified within this document.

If you are unsure of a specific SKU, please contact your Joerns representative for clarification.

Definition of Terms:

Last Time Buy

Last Time Buy (LTB) is advanced notification to Joerns customers and partners that Joerns intends to start the end of life process. The duration of this phase is variable and depends on numerous factors including material availability, Joerns and channel inventory and end user demand. Last Time Buy is informational only; products in this phase are active.

Active Retirement Mode

Active Retirement Mode (ARM) is a statement by the company that it is no longer actively manufacturing or selling the product. Products in ARM are removed from all price lists and marketing collateral.

Limited Retirement Mode

Limited Retirement Mode (LRM) is a statement by the company that it will no longer manufacture or develop enhancements for these products. Depending on inventory, technical capability, and customer demand Joerns will continue to offer support agreements on products in LRM. LRM is a discretionary phase in the product lifecycle process.

End of Support

End of Support (EOS) is a statement that the company no longer offers support for the product, and all remaining unique inventory or materials will be removed.
